REVIEWS:

"Politically charged, brutally honest. Rhymer is changing the face of comedy."
-*The Georgia Straight (Canada)*

"Who knew Canadians could be so funny?"
-*The Guardian (UK)*

"Great stories, excellent delivery, Dylan is one to watch. An excellent fit for international audiences too."
- *English Comedy Brussels*

"A real heavy-hitter, Rhymer is a specialist in satirical and hypocrisy-slapping comedy."
-*Prince George Citizen*

"A very entertaining comic with more to say than most. Rhymer has the ability to take a controversial topic, like abortion, make it funny, even silly at times and say something relevant. Unlike many Canadian comics his take on Canada vs America is not the usual pandering stuff and in fact quite critical of Canada."
